PRESS RELEASE

The Prime Minister, Dato'Seri Abdullah Badawi will be the guest-of-honour at the CFM Christmas Reception to be held on 25th December at 4.00p. m. at the church hall of the Evangelical Lutheran Church, 21, Jalan Sultan Abdul Samad, Jalan Tun Sambanthan, Kuala Lumpur.

The host this year is Rt. Rev. Julius Paul, who is Bishop of the Evangelical Lutheran Church and President of the Council of Churches of Malaysia.

The hosting of the event is done on a rotational basis, where Heads of different Churches act as the local host for the reception, and the function is held on a modest budget.

Also present will be Heads of Churches, some Christian ministers in government, dignitaries, representatives of other faith communities and members of the Evangelical Lutheran Church. Carolers, children and senior citizens will add to the festive mood.

While at the reception the Prime Minister will have the opportunity to convey his personal Christmas greetings to Christians in the country.

Members of the electronic and print media are cordially invited to cover the event.

REV. DR. HERMEN SHASTRI
